NIKKI

She's pretty, she's 19, and she's just discovered the power of her pussy. "You know, it gives me quite a buzz, flopping back on the sofa with my skirt up, letting my boyfriend sniff around my panties," says Nikki. Is that right? Fuckin' 'ell, steady on, gal! "No, seriously," she continues. "It's amazing how ten minutes of prickteasing reduces even an intelligent guy like my Chris to a fumbling, masturbating jelly." Rustler's verdict: take a letter Ms Rustler: "Dear Health Minister, for Christ's sake keep our Nikki away from next month's NHS Symposium on Premature Ejaculation at St Thomas's. The dry cleaning bill would be.....disgusting."

SOME BLOKE HAS HIS SAY!

It's nice to see a jazz mag that isn't trying to be pretentious, flashy or clever like some of the other pseudo-female edited tat on the market today.

Get back to basics: fantasy birds getting buck naked and dirty. While I'm having a word, can you possibly publish some sets of some really top birds with big tits getting it on?

Hope you can help and keep up the good work!

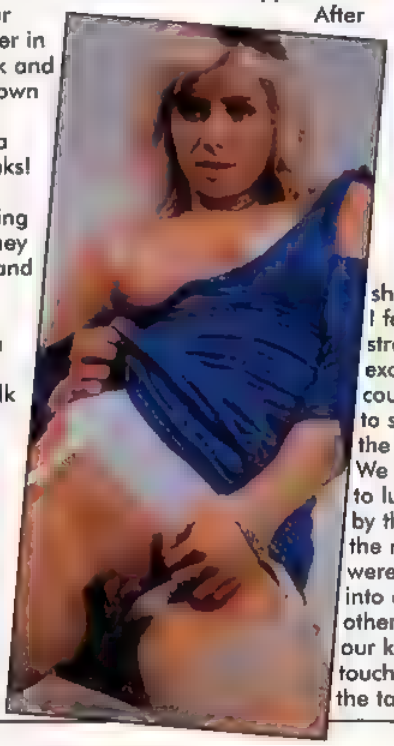
Ivor Ley, Lancs.

Course we can mate and look out for some celebrity exclusives in up and coming ed UK's top shandy mag . . .. Rustler.

I MARRIED A DILDO-BASHER

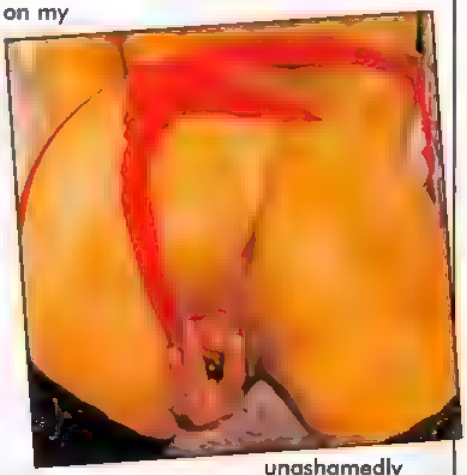
When my husband invited a friend of his from work round one night for a meal he didn't know quite what he was starting. Not that I had anything to fear from his workmate: it was his wife who started it all off by finding our copy of Rustler in the mag rack and putting us down (dead accurately) as a pair of sex freaks!

I was in the kitchen preparing dinner when they arrived. Chris and my husband talked shop in the living room while Angie came out to talk to me. I was struck by how beautiful she was. She had long, blonde hair and her fine, curvaceous figure was shown off to perfection in a figure hugging little black dress. We hit it off straight away, she seemed to like me a lot, and we chatted all evening, ignoring the men. When it came time for them to go, Angie deliberately got me on my own to say goodbye, kissing me and holding me a bit longer than either of our husbands would have approved!



After she'd gone I felt strange and excited, I couldn't wait to see her the next day. We went out to lunch and by the end of the meal we were gazing into each other's eyes, our knees touching under the table. In her car afterwards I deliberately let my skirt ride up and was delighted by the way she kept furtively looking down at my thighs.

Back at Angie's place I unashamedly flirted with her, sitting back on her sofa with my foot up, so that as she passed me a drink, she could see right up my skirt to where my body stocking inadequately covered my pussy. I was hoping she'd make a pass at me as I didn't have the nerve. I watched her take her jacket off and then, to my delight, her skirt so that she was standing before me in a white blouse that came down to her thighs but didn't cover her black stocking tops and suspenders.



I then sat forward on the sofa and she stood in front of me, closer now, and slowly undid the white blouse, exposing her black, high cut panties and lacy bra. I could see the dark thatch of her pubic hair and just make out the dark line of her love slit but I still couldn't bring myself to do what we were both dying for. Moving even closer she started to stroke my hair, pulling my face towards her. Then I kissed her smooth thighs and buried my face in her crotch, licking her cunt through the tight panties. Even through them I could taste her but when she pulled them off, standing with her legs apart so that I could eat her properly, I discovered for the first time how good cunt tastes!

Wild horses couldn't have dragged me away from that delicious fanny! I'd never fancied doing this before but with Angie I wanted to do everything. She pushed her vagina at me, grinding it into my face as I poked my tongue into her hole that she held open for me, moaning with satisfaction as I licked her clitoris before diving down into that dark hole again. I held her close to me, putting my hands on her buttocks and squeezing them as my cunnilingus made her squeal with delight! Having opened her up with my tongue I slipped a finger into her, surprised at how easily it penetrated her. She asked me to put two fingers in and fuck her with them so I did so, standing up and kissing her hard in the process.

Her hands began to caress me in the process, feeling my breasts and then stroking my thighs up to my crotch. What an incredible feeling that was, for the first time in my life to have another woman stroking my pussy, albeit through my bodystocking. She pulled off my skirt and tried to get her fingers at my cunt but my bodystocking was too tight so I hastily took it off. Apart from my high heels I was naked now and she ravished me, her tongue and fingers covering every inch of my body, probing deep into places that would only have let my husband go before I met her.

Angie started to finger me, causing my breasts to quiver with the force of her assault. Then her mouth was on me again, her lips and tongue teasing my pubic hair and covering it with the juice that was now flowing copiously from my cunt. She shifted round, moving her twat nearer my face. I kissed her stocking covered legs and stroked the hairy mound above her cunt before she mounted me, her mouth still locked onto my minge. Now I've sixty-nined with my husband lots of times but the feeling of having my muff eaten while having one pushed into my own face was entirely new to me but as I spread her cunt lips with my fingers and ran my tongue over her smooth pussy flesh I knew I was hooked! When we both came at the same time, her juices flowing down freely over my face, I thought I was in heaven!

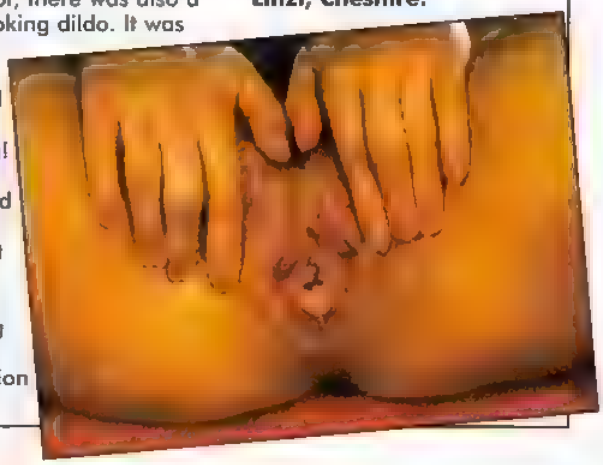
We had to stop then because her husband was due home any minute but arranged to meet the following day. On arriving, Angie demanded my cunt straight away and I gave it to her. I was only wearing my bra and panties and I was delighted to find that she wasn't wearing any knickers under her long skirt so we were soon vigorously finger fucking each other to a climax. I asked Angie then if I could use my vibrator on her and laughing, she showed me what she'd brought with her. Not only was there two different sizes of vibrator, there was also a lethal looking dildo. It was black, very thick and about a foot long! I knelt down and helped her put it on, my cunt creaming in anticipation of the seeing-to it was about to get.

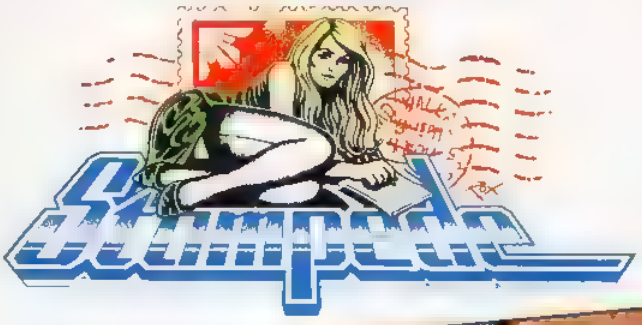
Without her asking, I took the end of it in my mouth and started to suck it as if it was a real cock, biting the hard black rubber while I reached underneath to stroke her cunt. That bitch then proceeded to fuck me as if there was no tomorrow!

She had me in every way possible, fucking that massive length into my cunt as hard as she could. From on top, behind, underneath, I took every inch, stretching my twat open as far as I could to get it all in, with her watching closely as the thick rubber shaft slid between my glistening cunt lips. Eventually I managed to do it to her and soon got used to the feeling of fucking a woman, managing to get pleasure from rubbing my clit against the back of the dildo as I pushed it into her.

Our husbands still don't know that we meet regularly for lesbian sex and although I still love him and his cock there is no way now that I would miss out on pussy love.

Linzi, Cheshire.





NICKI NUKED NORM'S NUTS

Easily the fruitiest bird you've featured in Rustler in recent years is Nicki Maybanks, back in Rustler 248. My ultimate sex fantasy is rumping her doggie style till my balls are drained - and I bet she has that effect on all the men in her life. If ever a girl was born to shag and suck cocks, it's Nicki Maybanks.

Norman, Sheffield.

PHONE FREAKS

At work it's impossible to have a private conversation on the phone, which was all very well until my wife decided to give me a dirty phone call one day! I was told there was a call for me and when I picked up the receiver I heard my wife breathing heavily.

'Hello darling,' she said, 'I'm lying on the bed in that white suspender belt and stockings set you just bought me!' I could feel myself going red and looked around at the people near me. They couldn't hear what she was saying but I couldn't say anything dirty back to her. ' I was sitting downstairs and I started to get those twinges in my pussy. You know, the ones I was telling you about. I put my hand up my skirt and started stroking my cunt through my panties but it wasn't enough. What I really want is your big, fat cock. Can't you come home now and give me a good fucking?' I could feel myself getting hard but hoped that no one else noticed.

'I can't come home till later, you know that!' I said.

'That's such a pity, my cunt's soaking wet and I'm dying for it! Oh well, I'll just have to use my vibrator.' I heard the familiar buzzing sound of her Non-Doctor.

'I'm stroking it up and down my cunt now. Christ, that's lovely! Oh, I wish you could come home now, you could do what you like with me!' There was no way I could leave work and go home so I swallowed hard and tried, for the sake of my erection, not to think too hard about what she meant by that! She can be a dirty bitch sometimes and loves sex any way she can get it.

'I'm sliding it in now,' she went on, 'ooooh, that feels so good! I'm playing with my nipples as well, just how you like me to. I'm watching myself in the mirror at the same time. I look whory in those stockings and suspenders, you'd love it! Fucking hell, I need shagging bad!' I couldn't take anymore and hung up the phone. As soon as I got home that night, after giving her a good shafting, I begged her not to phone me at work like that again but a few days later she did exactly the same thing so I decided to get my own back on her.

A couple of weeks later her parents came to stay for a few days. I knew that they were arriving while I was at work so I phoned her up during my lunchbreak when I could have a private phone call. When she answered the phone I could hear her parents in the background.

'You'd better be sexed up and ready for me when I come home tonight!' I said. 'I want a taste of that juicy cunt of yours before anything else!' Her parents could hear everything she was saying so she pretended to be having a normal conversation with me.

'Yes, darling, they're here, ' she said, 'I'll look forward to that!'

'You always look forward to being poked by me, don't you! I've got a length for you here that'll make you scream. You're going to be swallowing cum tonight, I guarantee you that!' I said and heard her laugh awkwardly. 'I'm going to enjoy shoving my cock into that beautiful hairy cunt of yours after I've licked you out. I might even give you a tit fuck. I haven't done that for a while, have I?'

'No, darling, you haven't. See you later, bye!' she said and put the phone down!

When I got home that night I met her parents but when we were alone together we kissed hard and she rubbed her crotch against me. Later we had great sex, her cunt being as wet and hot as I could have wished. So phone sex gets us turned on alright, even if one of us has to just listen!

SAME BLOKE HAS ANOTHER SAY!

It's me again. I asked you for a set featuring some birds with big tits getting it on, back on page 13. Well while I'm at it can you feature a bloke in a really loud hawaiian style shirt shagging a rough looking bird?

Ivor Ley, Lancs.

Alright mate, alright. I just happen to have some of these sets lying around so I'll put them in just for you!

KNOBBIN' WITH ROBIN

I've been working as a barmaid for the past six months and during that time a young man has started to work there in the kitchen. His name is Robin and he's dark skinned with curly hair and with such boyish looks he's just the cutest thing I've ever seen! He's only nineteen so I never really thought he'd be interested in me, (I'm thirty four) but after a while the I started to have the odd little fantasy about getting off with him. My partner knows I fancy him but he thinks I'd never do anything about it.

IT'S A SNIP

Portfolio quote from Paula and Bobby's stuck-up prat of an agent: "Paula and Bobby have been together almost three years and they enjoy a wild and uninhibited relationship." Rustled quote: "Yeah? Why wank over mags when you toss yourself into a coma over the real thing, eh? Why not mail details of YOUR dirty doings and undoings to: CONFESSION SESSION at RUSTLER, GADOLINE HOUSE, GODSTONE ROAD, WHYTELEAFE, SURREY. CR3 0EA

When I arrived at the office at Nine am on Monday it was going to be, so far as I knew, just like any other Monday morning; work without a break right through to eleven, when I could swap stories of the weekend with the other girls and have a laugh and a cup of coffee. Then back to work till lunch. But this was no ordinary Monday morning, because after I hung my coat up found a complete stranger at my desk. Boy, did I see red.....

"Who the fuck are you? What are you doing at my desk?" I asked her.

"Don't you know? You mean you haven't been told?" she asked, genuinely puzzled. And when she followed-up with, "Well you'd better go and see Belinda," I came over all faint. Surely I wasn't going to get the chop? Oh Jesus.....

Belinda's secretary looked like she was expecting me. " Belinda left this for you, Kate. I'm sorry, she told me to type up the letter on Friday afternoon. I thought you knew."

Inside was a letter of apology Belinda was sorry I wasn't "needed any more", and explained the redundancy pay I'd be getting. Effing great! I'd been working there for three sodding years and that bitch, that fucking cunt Belinda couldn't even be there in person to explain her actions.

I bit back the tears as I cleared my desk and stormed out of the building. I played the loudest, hardest rock CD in the gloverack on the drive home poured myself an enormous scotch on arrival. I called Belinda every foul name I could think of and wished every imaginable curse on her shoulders How dare she!

Which was the first time the idea of revenge occurred to me. I sat down with my drink, wiped away the tears and tried to think clearly. The slag certainly deserved it. This wasn't exactly the first time she'd sacked loyal, hardworking staff while she stayed in place doing very nicely, thank you, for doing virtually fuck-all as far as anyone could see. It was time for Belinda to pay her dues. High time.

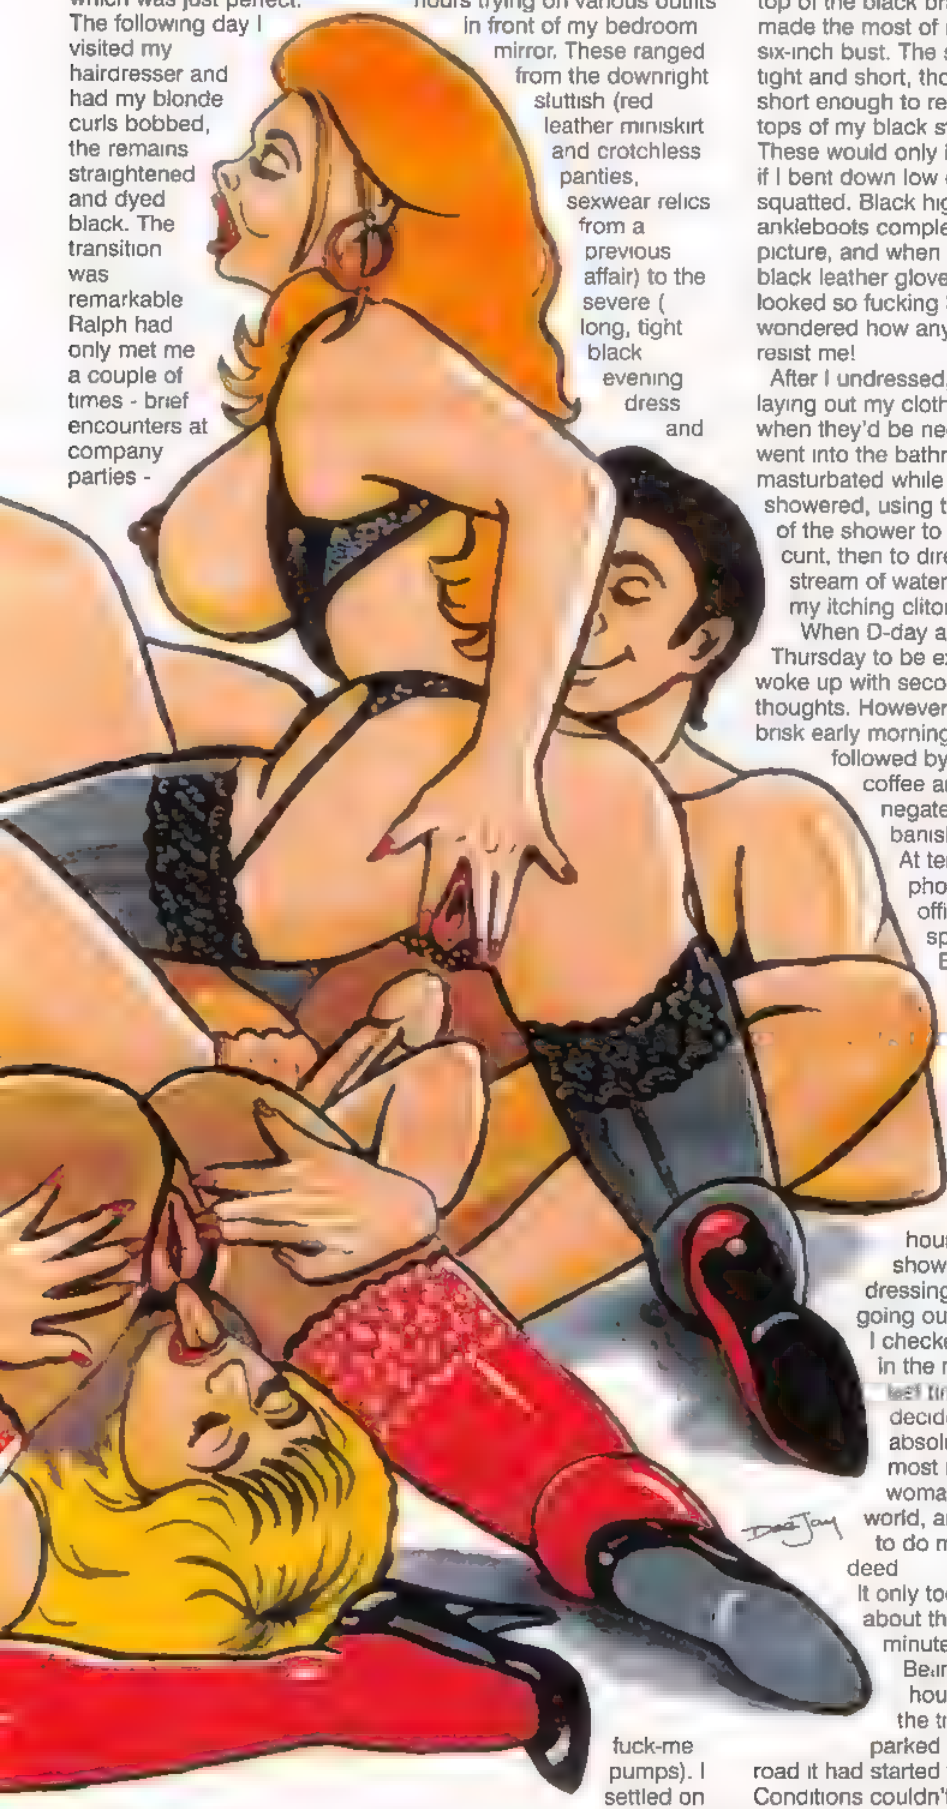
It was exciting, daring and as far as I could tell, had every chance of succeeding. I went upstairs, lay on my bed and drained my glass. As I went over the plan, ironing out the problems as I came to them, I unzipped my skirt and put my hand down my knickers. I had no idea revenge could be so exciting and as I feverishly rubbed my clit, I contemplated the consequences of my action. I came beautifully against my hand, savouring every microsecond of my self-induced orgasm.

Two days later, Belinda phoned me, saying she hoped there were no "hard feelings." I was polite (just about) and calmed myself with the thought of what I was going to do to her.

"Take care now," I purred. Then cursed myself for saying it when I replaced the receiver!

I dug out the photos of last year's office party. There was Belinda wearing her usual icy smile and sitting beside her, her husband, Ralph. I took a long look at him.

Yes, he'll do, I thought to myself. I've had worse, I suppose. I remembered a taxi driver in Greece and shuddered at the vile



memory. Yes, a lot worse.....

I was well aware of Belinda's itinerary for the next couple of weeks. She'd be in Berlin for four days from Thursday, which was just perfect.

The following day I visited my hairdresser and had my blonde curls bobbed, the remains straightened and dyed black. The transition was remarkable Ralph had only met me a couple of times - brief encounters at company parties - so there was still a possibility he might recognise me. Not any more.

I then sorted out my clothes for the big day and had a very enjoyable couple of hours trying on various outfits in front of my bedroom mirror. These ranged from the downright sluttish (red leather miniskirt and crotchless panties, sexwear relics from a previous affair) to the severe (long, tight black evening dress and fuck-me pumps). I settled on what I considered to be a winning combination; a pinstripe two-piece with a difference. The tight jacket was low enough at the front to show my cleavage and the top of the black bra that made the most of my thirty-six-inch bust. The skirt was tight and short, though not short enough to reveal the tops of my black stockings. These would only be revealed if I bent down low or squatted. Black high-heeled ankleboots completed the picture, and when I donned black leather gloves as well, I looked so fucking horny I wondered how anyone could resist me!

After I undressed, carefully laying out my clothes for when they'd be needed, I went into the bathroom and masturbated while I showered, using the nozzle of the shower to tease my cunt, then to direct the stream of water against my itching clitoris.

When D-day arrived, Thursday to be exact, I woke up with second thoughts. However, my usual brisk early morning work- out, followed by enough coffee and toast to negate it all, soon banished them. At ten o'clock I phoned the office to speak to Belinda and, as I'd hoped, I was informed she'd be in Berlin till Sunday.

I spent the next hour showering and dressing. Before going out to the car I checked my look in the mirroe one last time, decided I was absolutely the most ravishing woman in the world, and set out to do my dirty deed

It only took me about thirty minutes to get to Belinda's house and by the time I parked across the road it had started to rain. Conditions couldn't have been better. All I had to do was wait. Ralph, I happened to know, worked from home, but if I met him outside, then things would get off to a much better start.

Well, my luck held out. I'd only been sitting in the car for forty minutes or so when he came out, jogging along the road with their Yorkshire terrier on a lead. I chuckled to myself when I saw that tall, rather overweight idiot with the little Yorkie snapping at his heels, but once he was out of sight I re-parked right outside his front gate where, making sure no one could see me, I let all the air out of my rear nearside tyre.

I was getting wetter and wetter as I looked up and down the road, awaiting Ralph's return. Rivulets of water ran down my cleavage and I figured that, if anything, my wetness was adding to my allure. Eventually I saw him jogging back towards me, so I hurriedly got the jack and wheelbrace from the boot. I squatted down and played the typically inept female, frustrated at her inability to perform an ordinary task like changing a wheel.

My skirt was halfway up my thighs and I could sense Belinda's spouse eyeing me as I struggled to get the wheel-brace on to a nut. By way of a bonus, I gave him the benefit of my rather lovely arse, complimented by the seams of my black stockings.

Excuse me, can I be of any assistance?" I looked up at him, wiping the water from my face, and gave him the sweetest smile possible.

"Oh, could you? I've never had to do this before and I haven't got a clue what I'm doing." The little dog sniffed my ankle and the thought crossed my mind that it was doing exactly what its owner would like to do. "But it doesn't matter, you're soaked yourself. I'll sort it out." I think God must have been looking down on me because in the short space of time since Ralph arrived on the scene, the heavens opened and it started pissing down.

"Look," he said having to shout above the noise of the torrential rain, "why don't you come inside and wait until it stops? I'll help you then."

Ralph's place was warm and I was genuinely glad to be inside. I noticed a photo of he and Belinda together, looking oh, so happy. I'd soon see

about that! When he returned from the bathroom with a towel I started to dry my hair.

"Why don't you take off your jacket?" he suggested, and I readily complied. A last minute change of plan had left me bra-less. My breasts are firm and stick out nicely, so when I draped the sodden jacket over the back of a chair, I couldn't help but notice Ralph's eyes all but popping out of his skull. Not only were my nipples jutting through my blouse, but where the rain had trickled down inside my jacket the blouse itself was sodden and semi-transparent. It clung to my boobs and as I dried my hair, so they quivered and swayed. I could sense Ralph was beginning to enjoy himself.

I introduced myself. Even the action of shaking hands with him make my tits tremble and I could tell he was havingtrouble collecting his thoughts. He made coffee while I dabbed myself with the towel.

"God, I'm wet all over!" I said, carefully rubbing the towel up and down my stockingclad legs, lifting my skirt hem a fraction higher with each stroke. Maybe I'd been even luckier than I anticipated. Maybe he was one of those guys who's into wet sex! I once had a boyfriend who loved seeing me get a good soaking - and give one! Sometimes he'd get me in the shower in my undies and I'd do it all over the place and he'd be positively rampant afterwards! I couldn't imagine stuffy Belinda pandering to any such filth, but Ralph was certainly getting worked-up.

"L-listen," he stammered, "if you want to get that skirt off, go right ahead. It must be very uncomfortable, all wet and sticking to you like that Shall I fetch another towel?" I laughed and asked what his wife would say if she found me semi-naked in her kitchen. He confirmed she was indeed "out of town."

"Go on, then," I smirked, "Fetch!"

Ralph duly returned with the towel. "I'll show you where the bathroom is," he offered. But as I took the towel off him I said, "Don't worry, I'll dry myself here." I put the towel down, undid the button and zip at the side of my skirt and stepped out of it, right there in front of him. I stood there in just my blouse, which by now was totally transparent, and a pair of extremely brief black panties - plus the mandatory black stockings, suspender belt and bootees.

I turned slowly, giving Ralph a good look at my delectable arse while I dried myself. I glanced over my shoulder at him. "

"You're pretty wet yourself, aren't you? Those track suit bottoms are soaking. Why don't you take them off?" In no time he was standing there in just his boxer shorts, bulging out in front like a tent.

I undid my blouse and turned back to him, dabbing at my bare beasts with the towel. "I'm glad you came along. Not just to help me with the car but.....well....."

"Is there anything else I can do?" he asked, trembling now as he stared lecherously at me. He didn't know whether to make a grab for me, run off and lock himself in his bedroom till I'd gone, or cum in his pants. Frightened rabbit, or what?

"I wanted a man today," Ralp, I explained. I was at home alone and I wanted a man more than anything in the world. You don't know what it's like for a woman to get this desire. Sometimes I need a man's body so bad, I can't bare it!"

I know, I know, it sounds like the corniest thing I could have said and if you'd seen someone saying it on a TV soap you'd have laughed out loud.

But the fact is this semi-naked woman really did want a man and she wasn't too worried about who he might be.

I rubbed the towel in a vaguely masturbatory way between my thighs. Ralph advanced towards me, undid my blouse, yanked my bra down and proceeded to suck as much of my right breast into his mouth as he could get. Cheeky boy! His hand came up between my thighs, pulled aside my panties and plunged his fingers into the juicy, hairy mass of my cunt. I reciprocated with a hand down into his shorts, emerging triumphantly with his erect cock. A right good size it was, and all.....

"I want to fuck you. I really must fuck you!" Ralph gasped as I unpeeled his bulbous cock-head and slid my hand down to his balls. He took his fingers out of my cunt, licked them, then slid them back into me.

"Lick me first," I whispered and at once he was on his knees in front of me. As I held my panties aside, he shoved his long, lolling tongue right up my pussy. "Go on then, drink my sex!" I said and he groaned as lips, tongue and teeth chewed, licked and sucked at my increasingly hot and swollen clit and labia. Then I turned around, took off my panties and bent over, coaxing him to lick me out from behind while I leaned against a tabletop. I reached back and spread my fanny lips. "Get your tongue up there and lick me till I tell you to stop" I said, and thrust my bottom back at him.

God, how I'd have loved it if Belinda had walked in as Ralph slurped away at my cunt! I certainly couldn't complain about him being cunt-shy. Here was a man who evidently adored the taste of juicy, horned-up pussy and as I bent over to give him even deeper access to my love valley, I must admit I was starting to enjoy it, too.

I began to wonder if he gave Belinda the sort of service he was giving me. I wondered how any woman who got a regular licking-out could stay as uptight as her. My God, if I had a man whose tongue penetrated my quim as deeply as, I'd be perpetually on cloud nine. No, my guess (and it was only a guess) was that Ralphy-baby had a mistress somewhere, and I started to get excited at the thought of him cheating on Belinda with some old slut he had tucked away somewhere.

I often do that; think about the man I'm fucking having it off with someone else. I remember a guy I was once madly in love with.

God, I was so randy for, him! All he had to do was flash his lovely smile, and my knickers would be moist. Then one day he told me he was fucking someone else - then promptly undressed me and shagged me, freaking me out with every lurid detail of what he'd done with this other girl, and it drove me

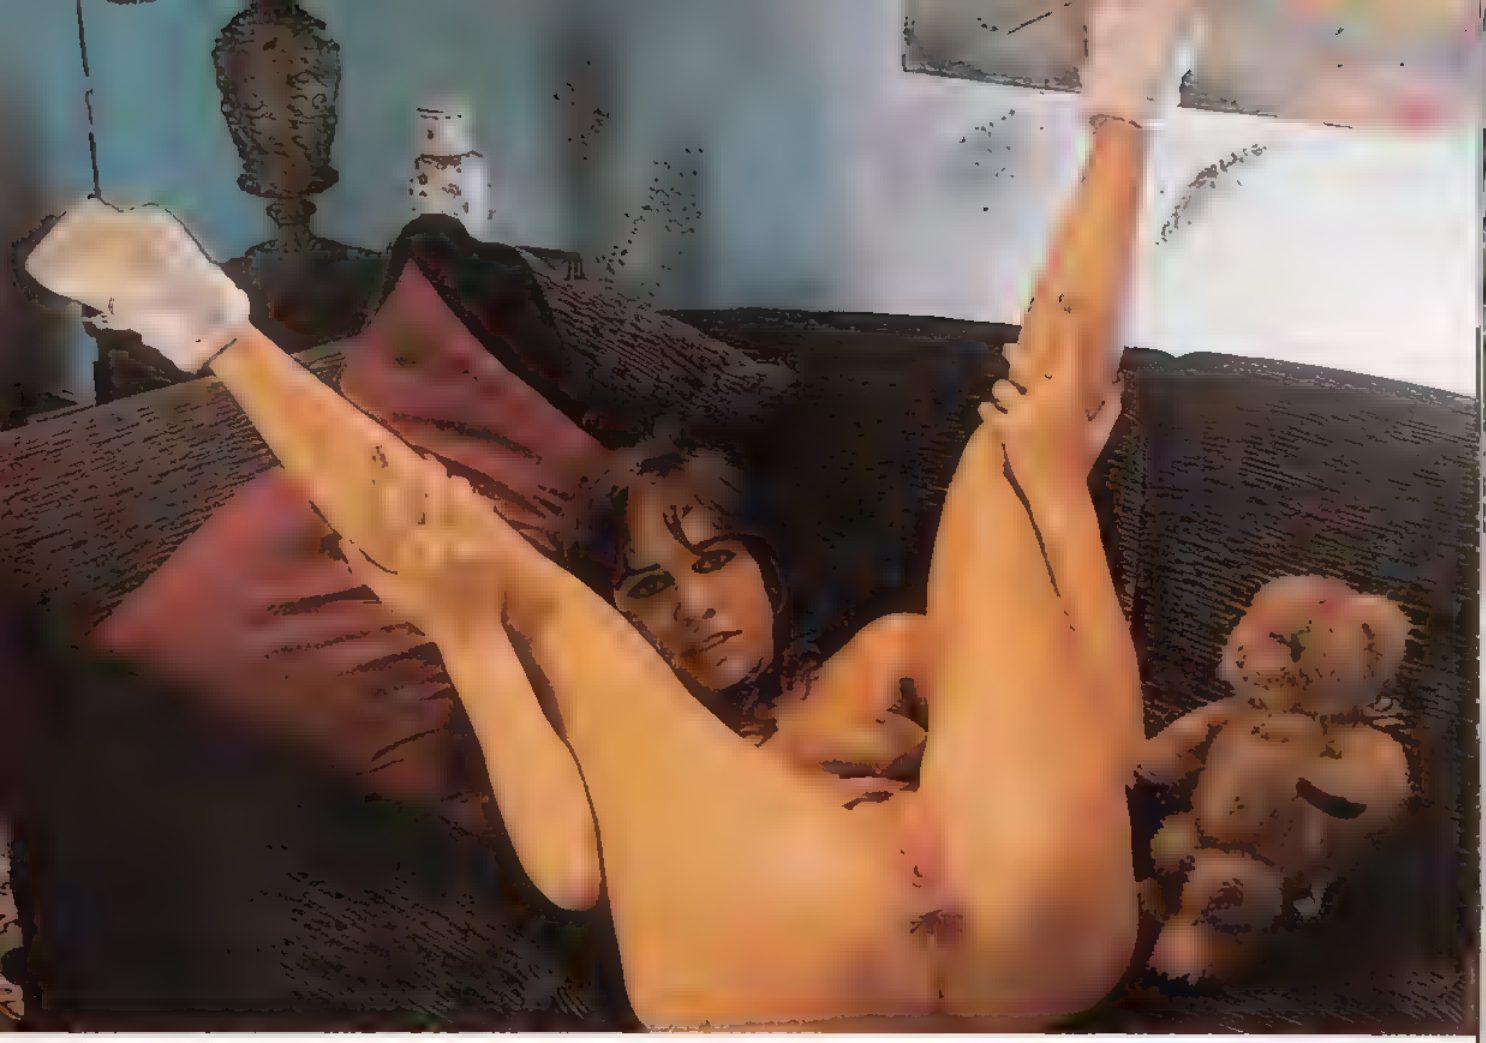
Not exactly mutton dressed as lamb, more a case of an eighteen-year-old posing as Jailbait Jane from The Greta Garbo Home for Wayward Boys and Girls. Love me, love my teddy? Fuck the teddy, sweetheart - there ain't no place for the Mr Flufflylugs' of this world in crude, brutal, new-look Rustler. So step out of those panties, if you will, and do your very best to convince us you're still a virgin. Do I fancy a lollipop? Naaa, I'm more into strawberry splits, me.



HACIENDA HOLIDAY

with Keisha & Jon Morgan

We couldn't believe we had the whole place to ourselves for only £70 a night. Damn! We could've invited Keisha's girfriends from back home and had ourselves a really wild, strap-on type orgy! Oh well, at least I'd had the presence of mind to pack the Polaroid. It's so nice to have a little memento to take home to the wife when you're away on these stressful business trips.

SARA
JANE

If there's one thing we relate to at Rustler, it's Sloaney birds like Sarajane Beckinsale here, talking dirty. And make no mistake, guys, thiis foxy lady could talk the cum out of any fucker's balls.

Taster 1: "I dildoed myself in front of six boys at a party last weekend. I made such a mess with the Baby Oil, it ruined the sofa. Mind you, there was no excusing the way they used me. I stank of spunk for days!"

Taster 2: "I like my flatmate licking me out while I'm sucking my lover's cock.

Taster 3: "I once took a video of me abusing a cucumber and sent the tape round to this guy who'd just ditched me. Talk about a change of heart - I thought he was going to wear my doorbell out!"

Rustler verdict: A right tasty lady!

SO HOW DID YOU ENJOY OUR FIRST REVAMPED ISSUE OF RUSTLER? A MESSAGE FROM NEW EDITOR SARAH COPELAND:

We've changed the mag for one good reason: TO MAKE ROOM FOR THE ONE THING THAT COUNTS IN A SEX MAGAZINE: MAXIMUM COVERAGE OF GLAMOROUS, KINKY & DOWNRIGHT DIRTY PHOTOS OF PORN MODELS. WE KNOW IT'S WHAT YOU WANT, YOU KNOW IT'S WHAT YOU WANT, SO STICK WITH RUSTLER AND LET'S GO FOR IT TOGETHER.

Continued from page 15

Around midnight last Saturday night I was just about to go home when the landlord asked me if I could give Robin a lift. It wasn't far out of my way and besides I liked the thought of having him in my car and perhaps I could flirt with him. As I drove I kept thinking about what would happen if I put my hand on his thigh and slid it up to his cock. Then I thought about driving him to one of the secluded car parks in the area and having my wicked way with him!

I asked him if he had a girlfriend and when he told me that he preferred older women I suddenly felt myself getting all wet. "Am I old enough?" I said as I put my hand on his knee then squeezed his thigh. There was no reaction from him so I moved my hand up and firmly grasped the bulge of his cock and balls.

They felt so good in my hand, especially with the gasp of surprise and pleasure he gave, that I made the decision to drive him home a different route, one that stopped off at a car park on the way!

I've always had this fantasy that when I get older I'll have my own 'harem' of young men, semi naked most of the time, at my beck and call and I had this in mind when I leaped on him after I stopped the car. I got astride him and pulled his cock out in a flash. He pulled up my skirt while I worked away at his lovely tool that was soon throbbing hard in my fist. I helped him get my tights and knickers off but before I got him inside me I couldn't resist giving him a taste of oral sex (I'm dead good at sucking!) and soon had him squealing as I gobbled his full length down my throat and sucked at it for all I was worth.

When I pulled it out I opened up my blouse and stuck it down my bra, rubbing his length all over my tits, then I got over it and lowered my quim down onto it and both of us let out a shivering cry of pleasure as it slid upwards into my wet slit. I told him to fuck me, I can be very assertive when I want to be, and he began to work it up and down at a hell of a rate, showing me how good a fit young man can be. I bent forward, first pushing my tits, which he'd pulled out of my bra, into his face then kissing him as his hands went all over me, fucking me furiously all the time.

My Christ, it was good fucking! I bounced up and down on him, loving the feel of his hard cock and then my climax came, suddenly and with an intensity that had me yelling and screaming, not caring if anyone could hear, I just wanted that big hard rod to go deeper and deeper and faster and faster until I fell on him, whimpering with pleasure as I felt my fanny muscles twitching up and down his upright, penetrating prick as I came.

He told me that he'd almost come just then and I suddenly realised the situation I'd got myself into. I would soon be going home to my boyfriend and although he'd probably be asleep in bed it would be awkward if I went home with fanny that was oozing cum. I wanted to give Robin supreme satisfaction, that was part of the turn on for me, so I got off him and swallowed his slippery dick again, sucking hard and sliding my mouth up and down it. It's almost impossible for me to describe the sounds he made as I deep-throated him but the memory of them still makes my fanny itch.

When he came, full and hard, I lovingly caught all of it and gulped it all back, savouring the salty taste of his fresh young semen as it spurted out. Eventually, when he'd emptied his balls, I sat up licking my lips. "There," I said, "nice and clean. Did you like that?" He looked completely shot away as he nodded. When I dropped him off outside his parent's house I had half a mind to get him to finger me off before letting him go but I had mercy on the poor lad!

I decided not to fuck him again unless he really, really wanted me to. I know he's got a girlfriend and I'm in a steady relationship so we've got to be careful not to hurt anybody. But the other day at work, when no-one was about, we got into a clinch and he had his hand in my knickers before we heard someone coming and had to stop. So maybe it will happen but the memory of that wonderful session in my car will stay with me forever.

Sami, Southampton.

insane! The more he told me how deep she'd sucked his cock, the hornier I got, making him screw me harder and harder until I came and came again. Bastard!

Anyway, that's by the by. What's important is that the thought of Ralph getting his cock sucked by another woman was getting me hotter than hot. I wanted to stop what he was doing and start on something else.

"Lie on the floor and let me get on top of you," I said. Then squatting astride him, I eased the head of his cock into my pussy, emitting a sigh of pleasure as, at last, I felt the full thickness of his shaft pushing up my hot tunnel. Then I began swivelling around on him, the stiffness of his prick stirring the honeypot of my cunt.

As Ralph reached for my tits I said, "Tell me your fantasies, Ralph; the absolutely dirtiest, filthiest most disgusting ones." He grinned and grunted as his cock slid indeeper. "Come on, you tell me yours and I'll tell you mine." Promise you won't laugh?" he said. I told him not to be so silly. He then told me the name of a well known female TV newsreader. "I think about coming home and finding my wife fucking her with a dildo. And both of them dressed in lacy white lingerie with stockings and white, high-heeled shoes on." He pushed his cock up harder in response to the images flashing through his mind.

"And what do you do?" I asked, quite enjoying the fantasy myself.

"I hold her cunt open so my wife can fuck her deeper. And she sucks my cock while I'm doing it. And I come in her mouth just as she comes from being fucked by my wife."

"And have you told your wife about this?" I asked, ramming my cunt down on to his rampant cock.

"Oh yes, she knows all about it, all right.. Oh Christ, your cunt feels good! Yes,we tell each other all our fantasies."

Now this was getting interesting! But before I could say anything more he went on, "She likes to masturbate when she sees her on the television. She gets quite lezzy sometimes. Oh God, get your cunt right on it, that's the way!" I began to fuck hard now and Ralph responded, shoving his engorged piece right up me.

"Does she use anything to masturbate with?" I blurted. She had a vibrator, he explained. "Does she fancy any other women?" I asked, but I had to wait for him to stop suckling my tit to getan answer and then, as my nipple, dripping with his saliva, slid from his lips, he rolled me on to my back, pinning me to the floor. I then got the full thrust of cock, and very fine it was too - an unstoppable lunge of raw manhood that speared me so deep, it felt like I was being skewered.

Ralph's big, swollen balls beat against my arse as he ramrodded me and as this incredible love attack was underway, he revealed Belinda's most secret fantasies. Not to mention secret secrets.

"Other women? You want to know the truth, do you? Well listen to this while I fuck you, you hot bitch. I'm married to a dyke, see, a full blown cunt-licking lesbian. Sure, she loves my cock, just as much as you do. And rubber cocks, sometimes One time she invited a mate of her round, and she sat right down on the girl's bare ass in front of me and plugged her cunt with a dildo! Her tits were hanging out of this kinky PVC top she wore. Fucking sexy, that was!"

Ralph continued, breathless with the energy of his fucking and the excitement of divulging his family secrets "When she gets in from work," he continued, "she tells me about the women she works with and. It's not all fantasy, mind, 'cos at some drunken party she went to when I was in hospital, she reckons she plated a gorgeous black girl while her boss fucked some huge-titted redhead. On someone's front room carpet, this was. Fancy!"

As if this revelation wasn't enough to blow me away, he somehow managed to get another couple of inches from somewhere - length as well as width - and while I went semi-delirious with pleasure, he poked that fantastic fuck tool around inside me until it twitched and bucked and started to shoot wad after wad of the thickest, hottest cum imaginable into my very grateful pussy.

I closed my eyes, concentrating now on my own climax as his rhythmically jerking tool flooded every crevice of my cunny with his thick seed. Even after he'd finished it still slid in and out of me and I can truthfully say that if he'd wanted to start all over again at that very moment, then I was ready for it. Sometimes I just need fucking pure and simple - and that's that

But (doncha just know it?) Ralph's cock shrank miserably after it slipped out of me, and he led me upstairs to the bathroom. He seemed to enjoy watching me as I squatted in his bath, washing the cum from my cunt with the shower nozzle. And, add to his enjoyment, I helped him wash his cock, even powdering it with talc after patting it dry!

The rain had stopped by now and Ralph insisted on going outside and changing my tyre while I sat in his kitchen drinking yet more coffee.

Although I'd dressed I was in the mood for more sex, resolving to give him a blowjob when he reappeared. However, even a thorough feel of his tool couldn't get him interested. Bugger! As I kissed him goodbye, Ralph asked for my phone number and I duly made one up.

A mile or so down the road, a gut instinct made me turn around and drive back to Ralph's house.
